

25<sup>th</sup> September 2017

Dear parents and carers,

It has been a very busy and successful start to the term at City Heights E-ACT Academy. Our insistence on full compliance with our uniform policy has resulted in our students demonstrating the Academy's values.

Effective communication with parents and carers is important to us and, with this in mind I would like to give notification on our expectations regarding the colour of students hair.

Hair colour and style should not draw attention and should meet the following expectations:

- Hair should be professional in style and colour
- Hair must be a natural colour although clips are permitted
- The academy hair scarf may be worn by Muslim students

To give students and parents the time to fully comply with this expectation we will not be enforcing this expectation until after the half term. Students have been informed of this in tutor time.

Therefore once they return to school following the autumn half term on Monday 30<sup>th</sup> October 2017 they must be compliant with our expectations.

**Elroy Cahill**  
**Acting Headteacher**
